

Introducing the **NEW Core Tray**

Designed by Professionals, for Professionals

Brought to you by:

Core Diameter	Metres Stored (m)	QTY in Box	Carton Dimension
BQ	6.79	25	105 x 37 x 37cm
NQ/NQ2	4.85	25	105 x 37 x 39cm
HQ	3.88	25	105 x 37 x 41cm
PQ	2.91	25	105 x 37 x 45cm

UNIQUE DESIGN BENEFITS

- Operates within Health and Safety Standards
- Ergonomic & safe handling locations
- Increased core access
- Inconsequential contamination
- Increased efficiencies
- Stackable
- Quick on-site assembly
- Multiple handling points
- Integrated digital label
- Top/bottom of tray direction marker
- Decreased transport, storage and assembly costs
- UV Stabilised Core trays Ends
- Water Drainage Holes

WORLD FIRST — Increase visibility by choosing your corporate colour for your core trays, or have a different colour end for your reef interactions and/or different projects.
